SPECTATOR TROLLEY STOP

Here you will find a trolley transporting spectators from the Event Area to the intersection of Phoenix and C Street. From there, you can travel by foot between Spectator Points 2 (Phoenix & West Main) and 4 (Parkway & Phoenix) to watch and support the runners. Once finished, you can catch the trolley back, and cross over the tracks for Spectator Point 6 (El Paso & Parkway), then back to the event area for the finish.
